

POWER FORWARD™

The Power Forward commercial refrigeration rebate program is provided by Heartland Consumers Power District in collaboration with your local municipal utility. Incentives are provided to commercial customers for purchasing new, high-efficient equipment.

Power Forward offers incentives on a first-come, first-served basis. Submitting an application is not a guarantee of funding. Rebates will be paid by your local utility in a manner they deem appropriate. This program is subject to change or termination without notice.

Incentives will not be paid without the completion of the application form and proof of purchase and installation. Sales receipts or invoices itemizing the new equipment must accompany the application. ENERGY STAR verification, where indicated, must also be included.

Rebates are only available on equipment as outlined in this application, purchased and applied for in the current calendar year. Equipment must be new and installed by December 31, 2020.

Heartland Consumers Power District COMMERCIAL REFRIGERATION REBATE

In order to qualify for a commercial refrigeration rebate, please complete the following steps:

- 1. Determine Eligibility.** Commercial customers of participating utilities served by Heartland Consumers Power District are eligible for incentives. Only new products are eligible for incentives.
- 2. Install Equipment.** New equipment must be installed and old equipment, if applicable, properly removed.
- 3. Complete and submit the application and accompanying documentation.** Complete the application and attach copies of all project invoices which itemize the new equipment purchased and labor costs. Invoices must indicate date of purchase, size, type, make, model and total project cost. Manufacturer specification sheets must also be included. Return completed form and documentation to your local utility.
